RULES AND REGULATIONS

ITF MEN'S CIRCUIT TOURNAMENTS

2010

A. PURPOSE AND APPLICABILITY

ITF Limited trading as the International Tennis Federation promulgates these Tournament Regulations for the purpose of providing fair and reasonable rules for the orderly and uniform conduct of international professional tennis tournaments sanctioned by the ITF. All references to the International Tennis Federation or ITF in these Regulations shall mean ITF Limited. These Regulations shall be applicable to all Futures Tournaments known as the ITF Men's Circuit.

B. GENERAL

1. Open Competition / No Discrimination

Futures Tournaments are open to all male (please refer to Appendix A) tennis players based on merit and without discrimination subject only to the conditions herein set forth and provided, however, that minors under the age of fourteen (14) shall not be eligible for entry. For purposes of this Rule, the player's age as of the first day of the tournament Main Draw shall be used.

2. Futures Tournaments

Futures Tournaments must be scheduled in a minimum of three consecutive weeks of \$10,000 each or two consecutive weeks of \$15,000 each in prize money and shall be organised by a National Association, unless otherwise approved by the ITF Men's Circuit Committee.

3. International Player Identification Number (IPIN) Membership

All players entering ITF Futures Tournaments agree, as a condition of their entry, to register for annual IPIN Membership, to accept the related terms and conditions and pay the appropriate fee. Failure by a player to register for IPIN Membership and to accept the related terms and conditions will result in the rejection of that player's entry.

4. Tournament Week

Except for indoor tournaments with sufficient facilities, the Singles Main Draw must be scheduled to begin no later than Tuesday and to finish no later than Sunday of the same week.

5. Tournament Administrator

The National Association(s) organising the Futures Tournament shall designate a Tournament Administrator to administer the event.

6. ITF Supervisor

Please see the officiating requirements shown in Appendix B.

Each Futures Tournament must provide at its sole expense an official certified as a Gold or Silver Badge ITF Supervisor. The ITF Supervisor must be available throughout the tournament week, from the Qualifying Sign-in, unless otherwise approved by the ITF.

7. ITF Chair Umpire

These officiating requirements (See Appendix B) are the minimum standards for Futures Tournaments. National Associations that wish to supply a higher certification level of official, or more officials, than the minimum requirements are encouraged to do so.

8. Approval of Officials

Each Futures Tournament shall submit a list of officials to fulfil the requirements as set forth above to ITF Officiating at least sixty (60) days prior to the event. Any request for these officiating requirements to be waived should be made to the ITF at least sixty (60) days prior to the tournament.

9. Tournament Doctor and Physiotherapist/Athletic Trainer

Each Futures Tournament must appoint and pay all costs for an English-speaking medical doctor, preferably an orthopaedic specialist or a general practitioner, to be available on call at all times during playing hours. The Tournament must also appoint an English-speaking Physiotherapist/Athletic Trainer, to be available on-site during play, to provide on-site treatment to players at their own cost.

10. Balls

The balls to be used at Futures Tournaments must conform to the specifications in the Rules of Tennis and must have been approved by the ITF. Any Futures Tournament must apply to the ITF for approval at least 45 days in advance of the event if it wishes to use Ball Types 1 or 3.

A minimum of four (4) new balls are to be provided for each match and are to be changed at least after eleven (11) and thirteen (13) games in the Main Draw and at least before the third set throughout the qualifying.

A minimum of three (3) used balls per day for practice must be available free of charge to each player accepted into the Main Draw from the day prior to the commencement of Main Draw until he is eliminated. Players must return practice balls.

11. Artificial Lighting

Play is allowed with artificial lighting provided there is a minimum of 500 lux evenly distributed over the court surface.

12. Entry Fees

There shall be no Entry Fee for Main Draw. The Entry Fee for Qualifying will be a maximum of \$40.

13. Prize Money

Prize money shall be paid in US Dollars unless prior approval to pay in any other currency is obtained in writing from the ITF.

A non-US Futures Tournament may elect on or before four (4) months prior to the tournament to pay on-site prize money in US Dollars or in local currency. If local currency is selected, then the exchange rate shall be the average of the six (6) months immediately preceding six (6) months prior to the tournament. If there is a fluctuation of five percent (5%) or more, up or down, immediately prior to the first day of the tournament, then such exchange rate shall be adjusted, up or down as follows:

Exchange Rate Fluctuation	Exchange Rate Adjustment
Less than 5%	None
Between 5 and 10%	5%
10% or greater	One half the Exchange Rate Percentage Fluctuation

(* For example, if the currency fluctuates 11% from the authorized exchange rate, the exchange rate will be adjusted by 5.5%).

Each Futures Tournament electing to pay on-site prize money in a specific non-US currency shall obtain from the ITF (Rest of World Events) or Tennis Europe (European events) the official rate for the tournament determined as above provided and shall use the same.

14. Amateur Expenses

Futures Tournaments may pay expenses to amateurs who are eligible to and do compete. Such expenses are limited to the actual and reasonable expenses of an amateur incurred pursuant to his participation in the tournament. The payment of expenses cannot be conditioned on the success of the amateur in the event.

15. Player Representatives

The ITF Supervisor shall appoint one or more players at each Futures Tournament to witness the draws and to represent the players during the tournament.

16. Related Regulations

To the extent not covered herein the 2010 Official Grand Slam Rulebook, The Constitution of ITF Limited 2010 and the 2010 ITF Duties and Procedures for Officials shall be applicable to all Futures Tournaments. Such applicability shall not affect the right of Futures Tournaments to promulgate

and enforce their own special regulations insofar as they are consistent with the applicable provisions of these Rules and Regulations and have been approved by the ITF.

17. Rules of Tennis

The ITF Rules of Tennis shall apply in all Futures Tournament matches.

18. Match Format

Each singles match shall be the best of three tie-break sets, unless otherwise approved by the ITF.

In each doubles match, No-Ad scoring shall be used throughout the match and when the score is one set all, one match tie-break (10 points) shall be played to decide the match.

19. Waiver of Claims

In submitting an entry into a Futures Tournament, all players agree, as a condition of entry, that for themselves, their executors, administrators, heirs and personal representatives, all claims of any kind, nature and description are waived, including past, present or future claims and injuries, if any, sustained in travelling to or from, or participating in a Futures Tournament, against the ITF, the National Association or Regional Association sanctioning such events.

20. Publicity and Promotion

Each player grants and assigns to the ITF the right in perpetuity to make, use and show from time to time and at its discretion, motion pictures, still pictures and live, taped or filmed television and other reproduction of him during the event and in connection with the promotion of the event without compensation for him, his heirs, devisees, executors, administrators or assigns. Such promotional activities by ITF shall not be identified as or represented to be an endorsement by the player of any product or company.

C. DEFINITIONS

1. Direct Acceptances

Entered players accepted directly into the Main Draw or Qualifying Draw by virtue of their rankings under the applicable System of Merit.

2. Wild Cards

Players included in the draw at the sole discretion of the Tournament Committee or the Tournament Administrator. Wild Cards may be seeded. Wild Cards must be named at the time the draw is made and Wild Cards who withdraw may not be replaced with new Wild Cards after the appropriate draw is made. Any such vacancies shall be filled by the next eligible player on the acceptance list, or in the case of Main Draw, by Lucky Losers, drawn

and placed at the same time as the qualifiers. The Qualifying Competition commences when the first ball of the first qualifying match is struck.

No player who has signed in for and been accepted into the Qualifying of the tournament may be named as a Wild Card after the Qualifying Competition has commenced.

A tournament may not offer a Wild Card or accept the entry from any player who has either accepted a Wild Card or been committed by an entry to another tournament in the same week.

3. Alternates

Players who are ranked lower than the direct acceptances into Main Draw and Qualifying under the applicable System of Merit, at the time of the Entry Deadline.

4. Qualifiers

Players who are included in the Main Draw as a result of their success in the qualifying competition.

5. Lucky Losers

6. Special Exempts

Players who are competing in singles on the day that the Qualifying Competition begins in another "Qualified Tournament" who apply for and receive exemption from Qualifying as hereinafter provided.

Special Exempts are only available for entered players on the Qualifying Acceptance List. A "Qualified Tournament" is defined as follows:

- i. \$10,000 Tournaments: the singles event of another Futures or Challenger Tournament within the same continent in the preceding week.
- ii. \$15,000 Tournaments: the singles event of another \$15,000 Futures or Challenger Tournament within the same continent in the preceding week.

7. Junior Exempt

8. On-Site Alternates

Non-entered players who appear at the tournament site to sign-in for the Qualifying. In order to be eligible as an On-Site Alternate, a player must sign-in with the ITF Supervisor at the tournament site.

D. SINGLES ENTRY AND WITHDRAWAL

1. Entry

All players applying for entry shall be deemed to apply for entry into the Main Draw or the Qualifying depending on his ranking by the applicable System of Merit.

A player may apply for entry into one but not more than six Futures Tournaments for a specific tournament week, in which case he must indicate a priority. If no priority is stated, the ITF will assign a priority. A player may not apply for entry into a Futures Tournament if he has entered and is committed to another tournament during that period.

See Appendix D for Entry Procedures.

2. Entry and Withdrawal Deadline

All entries and withdrawals must be submitted online through the IPIN Online Service or in writing on the Official Entry or Withdrawal Form and sent to the ITF by fax or post. Emails are not accepted.

All entries are subject to the Regulations and Conditions of Entry stated in Appendix D – Entry Procedures. Written entries must be signed by the player and must contain all the required information.

The Entry Deadline is at 14:00 hrs Greenwich Mean Time (GMT) on the Thursday eighteen (18) days prior to the Monday of the Tournament week.

The Withdrawal Deadline is at 14:00 hrs GMT on the Tuesday thirteen (13) days prior to the Monday of the tournament week.

No player may withdraw his entry from the Main Draw or Qualifying of a Futures tournament for any reason after the Withdrawal Deadline. Any such withdrawal will be considered a late withdrawal and will be subject to the Late Withdrawal/Non-Appearance provisions set forth in Article II. B.1 of the Code of Conduct, unless the provisions set forth in Article II. B.2, B.3 and B.4 of the Code of Conduct apply.

A player on one or more Alternate List(s) may withdraw anytime until he first moves into a Main Draw or Qualifying Acceptance List, at which time he will be automatically withdrawn from all other Entry Lists by the ITF.

Any player accepted into the Main Draw or Qualifying who fails to appear for the Tournament without notifying the ITF and/or ITF Supervisor of his withdrawal shall be subject to the penalties provided for non-appearance.

3. Freeze Deadline

The Freeze Deadline is on the Thursday preceding the tournament week at 14:00 hrs GMT. A player who has moved into a Main Draw or Qualifying

Acceptance List by the Freeze Deadline is committed to play the tournament. After the Freeze Deadline players on the Qualifying Acceptance List will no longer be moved into the Main Draw, and players on one or more Alternate Lists will no longer be moved into a Qualifying Acceptance List. Such Alternates are not committed to play the tournament.

A player who withdraws from Main Draw or Qualifying after the Freeze Deadline must notify both the ITF and ITF Supervisor of his withdrawal or else he will be subject to the penalties provided for Non-Appearance.

4. One Tournament Per Week

a. General

Once a player is committed to a tournament he may not enter or compete in more than one Tournament that same week. A player may apply for entry into one or more Futures Tournaments for the same week, but he must state a priority at the time of entry and he will be withdrawn from all except one event in accordance with the entry and withdrawal procedures outlined in Appendix D.

Once a player has signed-in for the Qualifying event at a tournament, or is a Direct Acceptance, Wild Card or Special Exempt into the Main Draw, he is committed to that tournament unless released by the ITF or ITF Supervisor.

Players found to have been accepted into two tournaments in one week should not be allowed into any Tournament. Players found to have competed in two Tournaments in one week should be immediately defaulted forfeiting all prize money and computer points (where applicable).

A player is allowed to play Singles Qualifying of one tournament and Doubles in another tournament played the same week, provided the player has been eliminated from one tournament prior to playing in the other tournament. A player may not participate in both tournaments at the same time.

b. Grand Slam and Multi-Week ATP World Tour Tournaments

i. Participation during Qualifying and/or First Weeks

A player is allowed to play in two tournaments (ITF Men's Circuit, Challenger, ATP World Tour or Grand Slam) during this two-week period, provided the player has been eliminated from singles and doubles of the first tournament prior to the Qualifying Sign-in Deadline of the second tournament.

Once a player has competed in two tournaments, where appropriate he will be automatically withdrawn from any ITF Men's Circuit tournament in the week following the Qualifying.

ii. Participation during Second Week

A player is allowed to play in an ITF Men's Circuit tournament during the second week of a Grand Slam or multi-week ATP World Tour tournament

provided he has been eliminated from the singles and doubles of that tournament prior to the ITF Men's Circuit tournament Qualifying Sign-in Deadline. A player who is still competing in the Grand Slam or multi-week ATP World Tour tournament at this deadline will be automatically withdrawn.

A player is not allowed to withdraw from a Grand Slam or multi-week ATP World Tour tournament to play the ITF Men's Circuit tournament.

5. **Special Exempts**

A player qualified to and who wishes to apply for Special Exempt status must do so by personally notifying the ITF Supervisor, either verbally or in writing, prior to the Qualifying Sign-in Deadline. If there are not sufficient Special Exempt places in the Main Draw for all the applicants, the players shall be selected in accordance with their rankings on Monday, seven days before the tournament week. Unsuccessful applicants will not be penalised under the Late Withdrawal/Non-Appearance provisions of the Code of Conduct. If there is no qualifying competition, or if Special Exempts are not needed prior to the time that the qualifying draw is made, then the places in the Main Draw reserved for Special Exempts shall become places for Direct Acceptances.

If prior to the Entry Deadline it is established that there will be no Special Exempts into a Futures Tournament because there are no "Qualified Tournaments" in the week preceding the Tournament, then the places reserved in the Main Draw for Special Exempts shall become places for Direct Acceptances and will be indicated as such on the Acceptance List.

6. **Main Draw Sign-In**

There will be no sign-in requirement for the Main Draw.

7. **Qualifying Sign-In**

The Qualifying Sign-In Deadline is at 18:00 hours local time at the site of the Qualifying event on the day before the start of the Qualifying event.

All players must be present and personally sign-in with the ITF Supervisor. A player may be signed-in for the qualifying draw by the ITF Supervisor/Referee of an ITF Sanctioned Tournament, Challenger or ATP World Tour Tournament in the previous week if such player has competed and lost on the last two days preceding the Qualifying competition. This player must be able to be on-site and play his first round match by the end of the first round of Qualifying. On-site Alternates may be signed-in for the Qualifying draw of one tournament only.

Players on the Qualifying Acceptance List can preserve their eligibility for unused Special Exempt places or known Main Draw vacancies (following withdrawals after the Freeze Deadline) by personally contacting the ITF Supervisor on-site prior to the Qualifying Sign-in Deadline.

If the Special Exempt places are used or there are no Main Draw vacancies, these players are not eligible to play the Qualifying and are subject to the Late Withdrawal/Non Appearance Provisions set forth in Article II. B.1 of the Code of Conduct.

If an unused Special Exempt place or Main Draw vacancy is not so preserved, such place(s) shall be filled by entered players who have signed in for Qualifying, to be selected in accordance with the rankings on the Acceptance List.

Players who cannot appear for the Qualifying sign-in because they are competing in the previous week's related Futures Tournament may be signed in for the Qualifying and may be permitted to compete in both events subject to the approval of both ITF Supervisors and if it does not unfairly disrupt the Qualifying schedule. Except as otherwise stated herein, players who fail to sign-in shall not be included in the Qualifying Draw.

8. Vacancies/Substitutions

Vacancies shall be filled with substitutes in accordance with the following:

- a. **From the Withdrawal Deadline until the Freeze Deadline:**
Vacancies in the Qualifying and Main Draw shall be filled by entered players selected in accordance with the applicable System of Merit.
- b. **From the Freeze Deadline until the Qualifying Sign-in Deadline:**
Vacancies in the Qualifying or Main Draw shall be filled, at the time of the Qualifying Sign-in Deadline, by entered players who have signed in for the Qualifying event, or, in the case of the Main Draw, preserved their eligibility by contacting the ITF Supervisor (see D.7 above), selected in accordance with the applicable System of Merit.
- c. **From the Qualifying Sign-in Deadline until the commencement of the Qualifying Competition:**
Vacancies in the Qualifying or Main Draw shall be filled by entered players who have signed in for the Qualifying event, selected in accordance with the applicable System of Merit.
- d. **After commencement of the qualifying competition:**
 - i. Vacancies in the Main Draw may only be filled by Lucky Losers. Lucky Losers are those players who have lost in the final round of Qualifying. If additional Lucky Losers are needed they shall be selected from losers in previous round(s) in the same manner.
Lucky Losers shall be selected as follows:
The order of the ranked players shall be randomly drawn, thereafter the order of the unranked players shall be drawn.

- ii. Vacancies in the qualifying shall be filled by players who have signed the Alternate list selected in accordance with the applicable system of merit.

9. Sign-in Requirements for Substitutes

- a. Alternates and Lucky Losers must be present and sign-in with the ITF Supervisor at least a half hour before the scheduled start of play, which may occur over several days, in order to maintain their priority among other Alternates and Lucky Losers of the same round. If the eligible Lucky Loser is not available to play, he shall be placed at the bottom of the Lucky Loser priority list for that day corresponding to the qualifying round in which he lost.
- b. Alternates and Lucky Losers must be ready to play in proper tennis attire within a total time of five (5) minutes after the announcement of a vacancy. Matches must commence without delay after the selection of the Alternate or Lucky Loser.

10. Play-Down (for Singles only)

Players ranked 1-100 in singles twenty-one (21) days prior to the Monday of the tournament week are prohibited from entering, accepting a Wild Card and/or competing in a Futures Tournament.

Players ranked 101-150 in singles twenty-one (21) days prior to the Monday of the tournament week are prohibited from entering a Futures Tournament but may receive a Wild Card approved by the ITF Men's Circuit Committee in order to compete in a Futures Tournament.

To be eligible for a Wild Card, such player must petition the ITF Men's Circuit Committee through the ITF at least fourteen (14) days prior to the Monday of the tournament week. Upon receipt of the petition the ITF Men's Circuit Committee shall evaluate the player's eligibility to receive a Wild Card.

Futures Tournaments offering \$10,000 in on-site prize money may not offer Wild Cards to players ranked 1-150 in singles.

Futures Tournaments offering \$10,000+H, \$15,000 or \$15,000+H in on-site prize money may offer one Wild Card per tournament to players ranked 101-150 in singles.

E. DOUBLES ENTRY

1. Entry Deadline

All doubles team entries must be in writing and received by the ITF Supervisor by 12.00 Noon Local Time on the day before the Main Draw in singles is scheduled to commence. The Doubles Sign-In Record must be posted at a reasonable time prior to the announced sign-in deadline. One

member of a doubles team may sign in for the team. The ITF Supervisor reserves the right to accept timely telephone entries. Players who fail to sign-in shall not be included in the Doubles Draw.

2. Substitution of Doubles Teams

If substitutes are required, Alternates shall be selected. The sign-in for doubles Alternates shall follow the same principles as the sign-in for singles Lucky Losers. One member of a team may sign in for the team.

3. Sign-in Requirements for Substitutes

- a. Alternates must be present and sign-in with the ITF Supervisor at least a half hour before the scheduled start of play, which may occur over several days, in order to maintain their priority among other Alternates. If the eligible Alternate is not available to play, he shall be placed at the bottom of the Alternate priority list for that day.
- b. Alternates must be ready to play in proper tennis attire within a total time of five (5) minutes after the announcement of a vacancy. Matches must commence without delay after the selection of the Alternate.

F. PLAYERS' REST/MEDICAL

1. Between Tournaments

If the ITF Supervisor receives notice from a player of the date and time of his last match played in a previous week's tournament or Davis Cup Tie, then the ITF Supervisor shall whenever possible give the player one full day's rest between such match and the player's first match in the Futures Tournament, unless weather or unavoidable circumstances has caused schedule disruption or unless the player was a finalist in a Monday or other delayed final.

2. Between Qualifying and Main Draw

Other than in exceptional circumstances, no player shall be required to play his first round match in the singles Main Draw until at least twelve (12) hours after the completion of his final qualifying match. If a player plays two (2) singles qualifying matches in one day, he should not be scheduled on the following day for his first round singles match, unless such player is accepted into the tournament as a Lucky Loser.

3. Between Matches

Except when weather or other unavoidable circumstances causes schedule disruption, players shall be scheduled for a maximum of one (1) singles match and one (1) doubles match per day, which shall not be scheduled less than twelve (12) hours after the completion of the last match of such player on the preceding day or round.

Whenever, it is necessary to schedule more than one match in the same day such player shall, unless he is in a singles and doubles finals to be played consecutively, be given the following minimum rest periods:

If he has played less than 1 hour	-	½ hour rest
If he has played between 1 hour and 1½ hours	-	1 hour rest
If he has played more than 1½ hours	-	1½ hours rest

4. Medical

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Physiotherapist/Athletic Trainer during the warm-up or the match.

Treatable Medical Conditions

- i. Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
- ii. Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

Non-Treatable Medical Conditions

- i. Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
- ii. Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
- iii. General player fatigue.
- iv. Any medical condition requiring injections, intravenous infusions or oxygen, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate him during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate him immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Physiotherapist/Athletic

Trainer, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court. *

If the Physiotherapist/Athletic Trainer determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF Supervisor/Referee or Chair Umpire when the Physiotherapist/Athletic Trainer has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Physiotherapist/Athletic Trainer determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Physiotherapist/Athletic Trainer is ready to start treatment. At the discretion of the Physiotherapist/Athletic Trainer, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor. *

The Medical Time-Out is limited to three (3) minutes of treatment. However, at professional events with prize money of \$25,000 or less, the ITF Supervisor/Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor, if appropriate, is final. If the Physiotherapist/Athletic Trainer believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Physiotherapist/Athletic Trainer for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Physiotherapist/Athletic Trainer and/or Tournament

Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive immediate evaluation, and treatment if time allows. There may be a total of two (2) additional change of ends treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Supervisor/Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF Supervisor/Referee or Chair Umpire for the special circumstance in which the Physiotherapist/Athletic Trainer determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Physiotherapist/Athletic Trainer will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Physiotherapist/Athletic Trainer and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Physiotherapist/Athletic Trainer should be called to the court by the Chair Umpire for evaluation and treatment. The Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, the ITF Supervisor/Referee or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Physiotherapist/Athletic Trainer must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Physical Incapacity

During a match, if there is an emergency medical condition and the player involved is unable to make a request for a Physiotherapist/Athletic Trainer, the Chair Umpire shall immediately call for the Physiotherapist/Athletic Trainer and Tournament Doctor to assist the player.

Either before or during a match, if a player is considered unable physically to compete, the Physiotherapist/Athletic Trainer and/or Tournament Doctor should inform the ITF Supervisor/Referee and recommend that the player is ruled unable to compete in the match to be played, or retired from the match in progress.

The ITF Supervisor/Referee shall use great discretion before taking this action and should base the decision on the best interests of professional tennis, as well as taking all medical advice and any other information into consideration.

The player may subsequently compete in another event at the same tournament if the Tournament Doctor determines that the player's condition has improved to the extent that the player may safely physically perform at an appropriate level of play, whether the same day or on a later day.

* It is recognized that national laws or governmental or other binding regulations imposed upon the event by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

5. Toilet Break

A player is allowed to request permission to leave the court for a reasonable time for a toilet break. Toilet breaks should be taken on a set break and can be used for no other purpose.

A player is entitled to one (1) toilet break during a best of three (3) set match. In doubles matches, each team is entitled to a total of two (2) breaks. If partners leave the court together, it counts as one of the team's authorised breaks. Any time a player leaves the court for a toilet break, it is considered one of the authorised breaks regardless of whether or not his opponent has left the court. Any toilet break taken after a warm-up has started is considered one of the authorized breaks. Additional toilet breaks will be authorised but will be penalised in accordance with the Point Penalty Schedule if the player is not ready to play within the allowed time.

G. SYSTEMS OF MERIT FOR SINGLES

1. Method A

Entered players with an approved singles computer ranking shall be selected in accordance with their positions on the approved computer ranking list available on the Entry Deadline and dated twenty-one (21) days prior to the Monday of the tournament week.

2. Method B

Entered players without an approved singles computer ranking but with a current top 500 National Ranking will be drawn at the ITF Office at the Entry Deadline.

These players will be sorted into groups of the same nationalities and ranked within those groups. Ties between players within those groups will be randomly drawn.

Each country represented will be allocated the same number of draw chips as the number of players from that country. Each time a chip is drawn the highest ranked player from the country represented by that chip shall be selected.

Thereafter, all remaining entered players who are unranked and have no National Ranking, shall be randomly drawn for a position on the Qualifying/Alternate List.

3. Method C

On-Site Alternates with an approved singles computer ranking who have signed in for qualifying shall be selected in accordance with the computer rankings, on Monday, seven days before the tournament week.

4. **Method D**

On-Site Alternates without a computer ranking who have signed in for qualifying shall be selected on the basis of their current Top 500 National Rankings.

Each country represented will be allocated the same number of draw chips as the number of players from that country unless there are more players from a particular country than places available in a draw. In that case, the number of chips allocated to that country shall be limited to the number of places available in the draw and any extra players are dropped from consideration. Each time a chip is drawn the highest ranked player from the country represented by that chip shall be selected.

All National Rankings must be submitted to the ITF by the National Association at least seven (7) days before the Entry Deadline if they are to be used for acceptance purposes for a given tournament. Players without a National Ranking, or an approved singles computer ranking, will be considered unranked for that Futures Tournament.

If a National Association produces an updated National Ranking during the year, the National Association may send quarterly updates to the ITF.

Further places will be filled by unranked players randomly drawn.

5. **Ties**

- a) In submitting an entry into an ITF Women's Circuit tournament, all players agree, as a condition of entry, that for themselves, their executors, administrators, heirs and personal representatives, all claims of any kind, nature and description are waived, including past, present or future claims and injuries, if any, sustained in traveling to or from, or participating in an ITF Women's Circuit tournament, against the ITF, the Regional Association or National Association sanctioning such tournaments, and the WTA Tour.
- b) Each player grants and assigns to the ITF the right in perpetuity to make, use and show from time to time and at its discretion, motion pictures, still pictures and live, taped or filmed television and other reproduction of her during the tournament and in connection with the promotion of the tournament without compensation for herself her heirs, devisees, executors, administrators or assigns. Such promotional activities by ITF shall not be identified as or represented to be an endorsement by the player of any product or company.

8. ENTRY DEFINITIONS

a) Direct Acceptances

Players accepted directly into the Main or Qualifying Draw by virtue of their ranking under the applicable System of Merit.

b) Qualifiers

Players included in the Main Draw as a result of their success in the Qualifying competition.

c) Wild Cards

Players accepted directly into the Main Draw or Qualifying at the discretion of the sanctioning National Association. Wild Cards may be seeded and must be named by the Wednesday before the tournament starts except in the case of \$50,000, \$75,000 and \$100,000 tournaments, whereby two Wild Cards may be named at the time the Draw is made, subject to the restrictions of the Age Eligibility Rule (see Appendix B). The names, nationalities and dates of birth of the Wild Cards (and any replacement Wild Cards) must be sent to the appropriate Service Bureau immediately upon nomination. National Associations should confirm with players their availability to take a Wild Card prior to sending nominations to the Service Bureau or the ITF Supervisor. If the Qualifying and Main Draw Wild Card(s) move into the draw on merit, before the Freeze Deadline, such player(s) will have their Wild Card nomination(s) automatically withdrawn and replacement Wild Cards may be nominated up until the time the appropriate draw is made. Any Wild Card places not filled by this time will be filled by the next eligible players on the Acceptance List, or in the case of Main Draw, by Lucky Losers.

Wild Cards who withdraw may not be replaced with new Wild Cards after the appropriate Draw is made. Any such vacancies in Qualifying shall be filled by the next eligible person on the Acceptance list, or in the case of Main Draw, by Lucky Losers.

No player who has signed in for and been accepted into the Qualifying of the tournament may be named as a Wild Card after the Qualifying Competition has commenced.

Please refer to Appendix B for Wild Card restrictions as applicable under the Age Eligibility Rule. Players who are **not** subject to the Age Eligibility Rule may receive a total of six (6) singles and six (6) doubles Wild Cards during a calendar year on the ITF Women's Circuit. No player may exceed a maximum of three (3) Wild Cards in the Main Draw or a maximum of six (6) Wild Cards in the Qualifying Draw of an ITF Women's Circuit tournament.

Each tournament in which a player earns ranking points (singles and/or doubles) counts towards a player's number of tournaments under the Wild Card Rule. However, participation in the Draws of tournaments in which a player does not earn ranking points does not constitute competition in an ITF Women's Circuit tournament under this rule.

It is the player's responsibility to not accept Wild Cards above the stated limit. Players will forfeit any ranking points and prize money earned at ITF Women's Circuit tournaments by the acceptance of Wild Cards above the stated limit.

A player who is accepted into the Main Draw or Qualifying of a tournament may only accept the offer of a Wild Card into another tournament if authorisation is granted by the ITF – see Article III. C. Playing Another Event / One Tournament Per Week, in the Code of Conduct

d) Junior Exempt

A player, who, by virtue of her 2009 year-end position on the ITF Junior Girls' Singles World Rankings, gains Direct Acceptance into a designated ITF Women's Circuit tournament. (See Appendix C).

e) Main Draw Only - \$50,000, \$75,000 and \$100,000 Tournaments

A player who enters the Singles or Doubles of a tournament but only wishes to play Main Draw. The option to enter as "Main Draw Only" is restricted to \$50,000, \$75,000 and \$100,000 tournaments only. A player may not change her status after the entry deadline. Should a player move into the Main Draw and not show up she will be penalised accordingly. Players who have entered as "Main Draw Only" and who withdraw before being accepted into the Main Draw may sign in as an On-Site Alternate. Main Draw Only status expires at the Freeze Deadline (see Withdrawal Procedures) or at such time as a player is accepted into the Main Draw or Qualifying of another tournament.

f) Alternates

Players who are ranked lower than the direct acceptances into Main Draw and Qualifying under the System of Merit, at the time of the Entry Deadline (Thursday eighteen days prior to the tournament).

Vacancies in the Main Draw shall be filled by players from the Qualifying Acceptance List up until the time that the Qualifying event has started. Vacancies in the Qualifying List shall subsequently be replaced by Alternates according to the System of Merit.

Once the Qualifying has started, vacancies in the Main Draw may only be filled by Lucky Losers.

g) On-Site Alternate

Non entered players who appear at the tournament site at their own risk to sign in for the qualifying. In order to be eligible as an On-Site Alternate, a player must personally sign-in with the ITF Supervisor and have paid the entry fee.

h) Lucky Losers

Players who have lost in the final round of the Qualifying competition and fill an opening in the first round of the Main Draw. If more Lucky Losers are

required for substitutions then those players losing in the previous Qualifying rounds shall also fill the openings in the Main Draw.

If a Lucky Loser position should become available during the Qualifying competition, the position shall be treated the same as Qualifying places for placement in the Draw.

Lucky Losers (singles and doubles) must be present and sign-in 30 minutes prior to the scheduled start of play. Lucky Losers must sign-in within 30 minutes of the completion of the last Qualifying Match when last round and first round Main Draw matches are played on the same day. If a player is forced to retire from her final round of Qualifying, due to illness or injury, she will retain her Lucky Loser status provided she receives medical clearance from the Tournament Doctor. If a Lucky Loser is accepted into the Draw, but when called is not available to play, she forfeits her place and the next Lucky Loser will be called immediately to take the open spot. Once a Lucky Loser forfeits, she is no longer eligible for Lucky Loser status for that event. If a player does not sign up for Lucky Loser status one day, she may still sign up on the next day.

i) Special Exempt

A player competing on the day that the qualifying competition begins in another “Qualified Tournament” and who applies for and receives exemption from qualifying as hereinafter provided.

For entered players a “Qualified Tournament” is:

Special Exempt status shall not be available for doubles players.

Players eligible to and who wish to apply for Special Exempt status must do so by personally notifying the ITF Supervisor, either verbally or in writing, prior to the Qualifying Sign-In deadline.

If there are insufficient Special Exempt places in the Main Draw for all applicants, the players shall be selected according to the ranking from Monday 7 days before the tournament week.

If no requests for Special Exempt status are received prior to the Qualifying Sign-In deadline, such places shall be taken by Direct Acceptances.

If prior to the Entry Deadline it is established that there will be no Special Exempt places because there are no “Qualified Tournaments” in the week preceding the Tournament, then the places reserved in the Main Draw for Special Exempts shall become places for Direct Acceptances and will be indicated as such on the Acceptance List.

9. ENTRIES AND WITHDRAWALS

All players applying for entry shall be deemed to apply for entry into the Main Draw or the Qualifying depending on her ranking by the applicable System of Merit.

A player may apply for entry into one but not more than six tournaments in a given calendar week, in which case she must indicate a priority. If no priority is stated, the ITF will assign a priority. (See Appendix D – for Entry and Withdrawal Procedures)

The Entry Deadline is at 14:00 hrs Greenwich Mean Time (GMT) on the Thursday eighteen (18) days prior to the Monday of the Tournament week. Entries for “Main Draw Only” shall be considered for \$50,000, \$75,000 and \$100,000 tournaments.

c) Withdrawal Procedures

All withdrawals must be submitted online or made in writing on the Official Withdrawal Form. Emails are not accepted. See Appendix D for Entry and Withdrawal Procedures.

iii) Late Withdrawals/Non-Appearance

No player may withdraw her entry from the Main Draw or Qualifying of an ITF Women's Circuit tournament for any reason after the Withdrawal Deadline. Any such withdrawal will be considered a late withdrawal.

A player's first two (2) late withdrawal offences within a calendar year are excused, provided the withdrawal is received by the ITF (and by the ITF Supervisor, if submitted after the Freeze Deadline) prior to the Qualifying Sign-in Deadline. Thereafter, except for the provisions below, any such withdrawal will be subject to the Late Withdrawal/No Show provisions set forth in Article III.B. of the Code of Conduct.

iv) On-site Medical Withdrawal

If a player is forced to withdraw during a tournament for medical reasons, the ITF Medical Certification Form must be completed (in English, French or Spanish) by the medically qualified physician on-site, indicating the nature of the medical condition and verifying that the player is unfit to continue playing in the current tournament. Such medical withdrawal will excuse any late withdrawal penalty for that tournament.

A player who withdraws from a tournament for medical reasons after the Qualifying Sign-in Deadline will be excused any late withdrawal penalty, provided she undergoes a medical examination on-site at the event from which she is withdrawing and is verified as being unfit to play in that tournament. Alternatively, if the player was still committed to a previous week's tournament at the time of the qualifying sign-in deadline, she may submit to the ITF Supervisor a completed ITF Medical Certification Form, as described above, authorised by the ITF Supervisor of the previous week's tournament.

v) Consecutive Late/Medical Withdrawals

Where a player withdraws late from consecutive tournaments for medical reasons, only the first of these will be subject to sections iii) and iv) above, provided each consecutive withdrawal occurs prior to the

appropriate Qualifying Sign-in Deadline and a valid ITF Medical Certification Form is submitted.

Following recovery, should a player participate in a tournament and have to withdraw, that withdrawal will once again be subject to the provisions above.

vi) Extraordinary circumstances

Under extraordinary circumstances a player has the right to appeal a Late Withdrawal or Non-Appearence fine to the ITF provided such appeal is filed within ten (10) days of the last day of the tournament. Such extraordinary circumstances must be substantiated by documentation.

d) Freeze Deadline

The Freeze Deadline is on the Thursday preceding the Tournament Week at 14.00 hours G.M.T.

A player who has moved into a Main Draw List or Qualifying Acceptance List by the Freeze Deadline is committed to play the tournament. After the Freeze Deadline players on the Qualifying Acceptance List will no longer be moved into the Main Draw and players on the Alternate List will no longer be moved into the Qualifying Acceptance List. These players on the Alternate List are no longer committed to play the tournament.

After the Freeze Deadline “Main Draw Only” entries which have not yet moved into a Main Draw Acceptance list will be removed from all \$50,000, \$75,000 and \$100,000 Acceptance Lists.

A player who withdraws from the Main Draw or Qualifying after the Freeze Deadline must notify both the ITF and ITF Supervisor of her withdrawal and the reason therefor otherwise she shall be subject to the penalties provided for non-appearance.

e) One Tournament per Week

Once a player is committed to a tournament she may not enter or compete in more than one tournament that same week. A player may apply for entry into one or more ITF Women’s Circuit Tournaments for the same week, but she must state a priority at the time of entry and she will be withdrawn from all except one event in accordance with the Entry and Withdrawal Procedures Outlined in Appendix D.

Once a player has signed-in for the Qualifying event at a tournament, or is a Direct Acceptance, Wild Card or Special Exempt into the Main Draw, she is committed to that tournament unless released by the ITF Supervisor.

Players found to have been accepted into two tournaments in one week should not be allowed into any tournament. Players found to have competed

in two tournaments in one week should be immediately defaulted forfeiting all prize money and Computer Points (where applicable).

f) On-Site Withdrawal/Retirement from Week 1 & participation in Week 2

A player who has lost in a Tournament (Week 1) may play the Qualifying for a Tournament scheduled for the next week (Week 2).

A player may not withdraw or retire from Week 1 to play in any other tournament in Week 2 except for medical reasons. If a player is forced to withdraw on-site or retire from Week 1 due to medical reasons, and she is entered in a tournament in Week 2, that player must receive a medical examination from the Tournament Doctor from Week 1 and submit her medical examination to the Tournament Doctor for Week 2. To be eligible to compete in Week 2 the player must receive a medical examination from the tournament doctor.

Any player will automatically be withdrawn from Week 2 if:

- i) she has withdrawn or retired from Week 1 without cause,
or
- ii) she fails to provide a Medical Certificate from the Tournament Doctor from Week 1 to the Tournament Doctor of Week 2:
or
- iii) she fails to receive a medical examination for Week 2 from the Tournament Doctor.

This rule does not apply to a player whose partner in doubles has been forced to withdraw or retire from their match.

g) Vacancies in the Draw

Vacancies occurring in the Main Draw will be filled from the Qualifying acceptance list or from the Alternate list according to the System of Merit. Once the Qualifying sign-in has closed, the Qualifying Acceptance list is the list of those players who have signed in for the Qualifying competition. If vacancies occur in the Main Draw after the Qualifying has started, these may be filled only by Lucky Losers. Lucky Losers are those players who have lost in the final round of Qualifying. If additional Lucky Losers are needed they shall be selected from losers in the previous round(s) in the same manner.

For doubles only, an entry fee of up to maximum of \$15 per player in the Qualifying and up to a maximum of \$ 20 per player in the Main Draw per tournament may be charged. (Qualifiers and Lucky Losers should pay the additional \$ 5 to make up the Main Draw \$ 20).

Any such entry fee must either be paid as directed by the Tournament Director prior to the start of the tournament or deducted from prize money.

10. SYSTEM OF MERIT

Players who wish to enter a tournament with a Special Ranking must contact the WTA Tour at least one week prior to the Entry Deadline requesting confirmation is sent to the ITF. When two or more players are tied, the actual ranking supersedes the Special Ranking for acceptance purposes.

The following shall be used as the basis for acceptances:-

a) Singles

i) Method A

Entered players with an approved Singles Computer Ranking shall be selected in accordance with their positions on the approved Computer Ranking list available on the Entry Deadline and dated eighteen (18) days prior to the Monday of the tournament week.

ii) Method B

Entered players without an approved Singles Computer Ranking but with a current top 500 National Ranking will be drawn at the ITF Office at the Entry Deadline.

These players will be sorted into groups of the same nationalities and ranked within those groups. Ties between players within those groups will be randomly drawn.

Each country represented will be allocated the same number of draw chips as the number of players from that country. Each time a chip is drawn the highest ranked player from the country represented by that chip shall be selected.

Thereafter, all remaining entered players who are unranked and have no National Ranking, shall be randomly drawn for a position on the Qualifying/Alternate List.

iii) Method C

On-site Alternates with an approved Singles Computer Ranking who have signed in for Qualifying shall be selected in accordance with the Computer Rankings, on Monday, seven days before the tournament week.

iv) Method D

On-site Alternates without a Computer Ranking who have signed in for Qualifying shall be selected on the basis of their current top 500 National Rankings.

Players will be sorted into groups of the same nationalities and ranked within those groups. Ties between players within those groups will be randomly drawn.

Each country represented will be allocated the same number of draw chips as the number of players from that country unless there are more players from a particular country than places available in a draw. In that case, the number of chips allocated to that country shall be limited to the number of places available in the draw and any extra players are dropped from consideration. Each time a chip is drawn the highest ranked player from the country represented by that chip shall be selected.

All National Rankings must be submitted to the ITF by the National Association at least seven (7) days before the Entry Deadline if they are to be used for acceptance purposes for a given tournament week. Players without a National Ranking, or an approved Singles Computer Ranking, will be considered unranked for that Tournament.

If a National Association produces an updated National Ranking during the year, the National Association may send quarterly updates to the ITF.

Further places will be filled by unranked players randomly drawn.

v) Ties

If players' computer rankings are tied, the following tie-break procedures will be used:

- a) player with the highest ranking from the previous week
- b) randomly drawn

b) Doubles

The ranking list of Monday 7 days before the tournament week shall be used.

i) Method A

Including players with Special Rankings confirmed by WTA Tour. The order will be by combined Doubles ranking. Ties will be decided by the team with the greatest combined total points followed by the team with the highest combined Doubles ranking from the previous week and then randomly drawn.

ii) Method B

Including players with Special Rankings confirmed by WTA Tour. National Ranking will not be considered. Order will be according to Doubles ranking of the ranked player. Ties will be decided by the Doubles ranking of the previous week of the ranked player and then randomly drawn.

iii) Method C

National Ranking will not be considered. Ties will be randomly drawn.

11. ACCEPTANCE FOR TOURNAMENTS**SEE APPENDIX D FOR 2010 ENTRY PROCEDURES****a) Singles**

If a player does play two (2) tournaments in one (1) week, upon the first occurrence the player will receive the lesser of the rankings points earned from the two (2) tournaments. Upon the second and subsequent occurrences, the player will not be awarded any rankings points and she will be subject to a fine.

c) Grand Slam and Multi-Week WTA Tour Tournaments**i. Participation during qualifying and/or first weeks**

A player is allowed to play in two tournaments (ITF Women’s Circuit, WTA Tour or Grand Slam) during this two-week period, provided the player has been eliminated from singles and doubles of the first tournament prior to the Qualifying Sign-in Deadline of the second tournament.

Once the Qualifying event has started, vacancies in the Main Draw will be filled by Lucky Losers.

g) Doubles Tournament Participation per Week

However, a player is allowed to play Singles Qualifying of one tournament and Doubles in another tournament played the same week, provided the player has been eliminated from one tournament prior to playing in the other tournament. A player may not participate in both tournaments at the same time.

h) Administrative Error on Acceptance Lists

If an administrative error is made on a Tournament Player Acceptance List and too many players are accepted into the Tournament, arrive on site and sign-in to play the tournament, the following procedures will be followed: the last two (2) players accepted into the Tournament based upon the most current updated entry list (excluding Wild Cards and Qualifiers) will play a preliminary match for one (1) spot in the draw. The loser of the preliminary match will receive 1st round WTA Tour Ranking points and 1st round prize money. Prize money payment to the loser of the preliminary match will not constitute an additional expense to the Tournament; it will be paid by the ITF. A player who wins the preliminary match but then loses in the 1st round will

receive 1st round prize money plus 25% of 2nd round prize money and 35% of 2nd round WTA Tour Ranking Points.

It is the responsibility of the ITF to advise the Director of the MIS Department at the WTA Tour Florida office immediately following the discovery of any such administrative error.

If there are byes they shall be given to the seeds in descending order and thereafter byes are drawn for placement in the draw so as to be distributed equally in the sections of the draw.

iv) Remaining Players

The remaining players (including Qualifiers, Lucky Losers etc.) are drawn by lot to fill the vacancies starting at the top of the draw. The Lucky Losers shall be drawn together with the Qualifiers.

Any vacancy created by the withdrawal of a seed which occurs after the release of the order of play for the first day of Main Draw, shall be filled by eligible Lucky Losers/Alternates. The same principles shall be followed for the Qualifying Draws.

19. PAYMENTS

Prize money in cash or cheques should be made available daily at the Tournament Office for each day's losing players. The following criteria should be observed:

a) Tax Deductions

Any Government tax deductions from prize money must be stated on the players' fact sheet.

b) Currency

Prize money shall be paid in US Dollars unless prior approval to pay in any other currency is obtained in writing from the ITF at the time of application.

c) Exchange Rate

A non-US Tournament may elect on or before four (4) months prior to the tournament to pay on-site prize money in US Dollars or in local currency. If local currency is selected, then the exchange rate shall be the average of the six (6) months immediately preceding six (6) months prior to the tournament. If there is a fluctuation of five percent (5%) or more, up or down, immediately prior to the first day of the tournament, then such exchange rate shall be adjusted, up or down as follows:

Exchange Rate Fluctuation	Exchange Rate Adjustment
Less than 5%	None
Between 5 and 10%	5%
10% or greater	One half the Exchange Rate Percentage Fluctuation

(* For example, if the currency fluctuates 11% from the authorized exchange rate, the exchange rate will be adjusted by 5.5%).

Each Tournament electing to pay on-site prize money in a specific non-US currency shall obtain from the ITF (Rest of World Events) or Tennis Europe (European events) the official rate for the tournament determined as provided and shall use the same.

d) Uncompleted Matches

If the singles or doubles event of a tournament is cancelled, e.g. due to poor weather, and there has been no play, first round prize money will be paid out to the players. If play has commenced and been terminated before the tournament is concluded players will be paid loser's prize money for the individual round reached. Additionally, if the first round has been completed, all players/teams will receive their Round Points earned through the last completed round only and the tournament will count as a tournament played.

If a tournament is officially terminated and the final(s) have not been completed, the finalists will each receive finalists' prize money and ranking points. The difference between the winner and finalist prize money will revert back to the tournament.

e) Defaults, Byes, Withdrawal and Retirement

- i) No points or prize money will be awarded to a player or team who withdraws or is a "no show" without playing their first match.
- ii) Any player who is defaulted shall lose all prize money, hospitality and points earned for that event at that tournament, unless:
 - The player was defaulted for a violation of the punctuality or dress and equipment sections of the code of conduct
 - The player was defaulted as a result of a medical condition
 - A member of a doubles team did not cause any of the misconduct code violations that resulted in the team being defaulted.
- iii) A singles player withdrawing after the first round, or retiring, will receive loser's computer points and prize money for the round in which she retired.
- iv) If a singles player withdraws from the semifinal or final their prize money is calculated per the round they withdrew less 50% of the difference between that round and the previous round. Such 50% shall be retained by the tournament.
- v) If a player withdraws from the singles final, and the Tournament Director so desires, a substitute player will play a best of 3 set exhibition

match against the Tournament winner. The substitute player will receive all the money defaulted.

- vi) A doubles team withdrawing after the first round, or retiring, will receive loser's computer points and prize money for the previous round reached. In addition, the player withdrawing or retiring will not be allowed to play in any other ITF Pro Circuit tennis event until Monday of the next tournament week (unless she is still playing in singles).
- vii) A player or team who wins a match as a result of a retirement, default, walkover or no show shall receive prize money and points that the player or team would have received for winning the match only if they have previously played and won a match.
- viii) If a player or team receives one (1) or more consecutive byes and loses her/their first match played, the player or team will only receive ranking points from the round preceding their elimination and the player or team shall receive prize money for the round reached.
- ix) If a player or team receives one (1) or more consecutive byes and withdraws from her/their first match, no ranking points shall be awarded, the tournament will not count on her/their record and no prize money shall be paid out.

f) Amateur Expenses

ITF Women's Circuit Tournaments may pay expenses to amateurs who are eligible to and do compete. Such expenses are limited to the actual and reasonable expenses of an amateur incurred pursuant to her participation in the tournament. The payment of expenses cannot be conditioned on the success of the amateur in the event.

V. AMENDMENT TO THE REGULATIONS

20. ENFORCEMENT OF REGULATIONS

These Regulations shall be binding.

It is the responsibility of the ITF Supervisor on site to enforce these Regulations on behalf of the ITF.

21. AMENDMENT OF REGULATIONS

VI. WTA TOUR COMPUTER RANKINGS

For a complete statement of the official rules and regulations regarding WTA Tour computer rankings, refer to the WTA Tour Official Rule Book.

1. INTRODUCTION

The WTA Rankings is the worldwide computer ranking for Women's Professional Tennis. The Ranking System is a 52-week, cumulative system in which the number of tournament results that comprise a player's ranking is capped at sixteen (16) tournament results for singles and eleven (11) tournament results for doubles. The results used to determine the players' ranking are the tournaments that have yielded the players' highest ranking points over the past fifty-two (52) weeks including their ranking points from any mandatory tournament and the WTA Tour Championships plus the best two (2) Premier 5 Tournament results for Top 10 players. The rankings determine player acceptance and seeding for all tournaments.

Rankings are computed and published weekly by the WTA Tour from its U.S. Headquarters in St. Petersburg, Florida. Note: ITF Women's Circuit Tournaments with prize money of \$25,000 or less are processed a minimum of one (1) week following the conclusion of the Tournament.

In these ITF Tournaments, the WTA Tour will only award Round Points in Qualifying starting in the Round of 32 and play in any round prior to the round of 32 will not be considered as having taken place for ranking purposes.

3. GENERAL RULES

Processing of Rankings - WTA Tour Tournaments (Premier Mandatory through International) plus ITF \$100,000, \$75,000 and \$50,000 tournaments (as long as completed by the Sunday of that week) are processed on a weekly basis. Grand Slam Development Fund

Administered by the International Tennis Federation

The Grand Slam Development Fund was established in 1985 by the International Tennis Federation from contributions donated by the Grand Slam tournaments to provide assistance to affiliated National Tennis Associations with the development of competitive tennis. Since then over US\$52 million has been invested in tennis development worldwide, of which a significant proportion has been directed towards women's tennis. The Grand Slam Development Fund is designed to help increase competitive opportunities worldwide by encouraging the establishment of tournament circuits, which will provide opportunities for a greater number of players to compete internationally, and, through touring teams and travel grants, to assist players to gain international competitive experience so that more nations will be represented in the mainstream of international competition.

Only Member Nations may apply to the ITF for grants from the Grand Slam Development Fund. Applications must be submitted by National Associations in writing on the appropriate form (which is available upon request from the ITF London office).

National Associations benefiting from the Grand Slam Development Fund are required to publicise their event as being "supported by the Grand Slam Development Fund".

Applications for assistance may be made for:

- a) A contribution towards the prize money at entry level professional events
- b) Special prize money grants are available for existing \$10,000 events to upgrade to \$25,000 and \$50,000 events.

All events must be organised in accordance with the Regulations for the ITF Women's Circuit and sanctioned by the National and/or Regional Association concerned.

APPENDIX F

MEDICAL, EXTREME WEATHER CONDITIONS AND TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Physiotherapist/Athletic Trainer (also known as the Primary Health Care Provider) during the warm-up or the match.

Treatable Medical Conditions

- i. Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
- ii. Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

Non-Treatable Medical Conditions

- i. Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
- ii. Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
- iii. General player fatigue.
- iv. Any medical condition requiring injections, intravenous infusions or oxygen, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other.

At the discretion of the Physiotherapist/Athletic Trainer, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court. *

If the Physiotherapist/Athletic Trainer determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF Supervisor/Referee or Chair Umpire when the Physiotherapist/Athletic Trainer has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Physiotherapist/Athletic Trainer determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Physiotherapist/Athletic Trainer is ready to start treatment. At the discretion of the Physiotherapist/Athletic Trainer, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor. *

The Medical Time-Out is limited to three (3) minutes of treatment. However, at professional events with prize money of \$25,000 or less, the ITF Supervisor/Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor, if appropriate, is final. If the Physiotherapist/Athletic Trainer believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Physiotherapist/Athletic Trainer for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Physiotherapist/Athletic Trainer and/or Tournament Doctor to

have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive immediate evaluation, and treatment if time allows. There may be a total of two (2) additional change of ends treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Supervisor/Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the Supervisor or Chair Umpire for the special circumstance in which the Physiotherapist/Athletic Trainer determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Physiotherapist/Athletic Trainer will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Physiotherapist/Athletic Trainer and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Physiotherapist/Athletic Trainer must be called to the court by the Chair Umpire for evaluation and treatment. The Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, the ITF Supervisor/Referee or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Physiotherapist/Athletic Trainer must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Physical Incapacity

During a match, if there is an emergency medical condition and the player involved is unable to make a request for a Physiotherapist/Athletic Trainer, the Chair Umpire shall immediately call for the Physiotherapist/Athletic Trainer and Tournament Doctor to assist the player.

Either before or during a match, if a player is considered unable physically to compete, the Physiotherapist/Athletic Trainer and/or Tournament Doctor should inform the ITF Supervisor/Referee and recommend that the player is ruled unable to compete in the match to be played, or retired from the match in progress.

The ITF Supervisor/Referee shall use great discretion before taking this action and should base the decision on the best interests of professional tennis, as well as taking all medical advice and any other information into consideration.

The player may subsequently compete in another event at the same tournament if the Tournament Doctor determines that the player's condition has improved to the extent that the player may safely physically perform at an appropriate level of play, whether the same day or on a later day.

* It is recognized that national laws or governmental or other binding regulations imposed upon the event by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

EXTREME WEATHER CONDITIONS

Extreme weather conditions shall be defined at such time that heat, as measured by a Heat Stress Monitor, meets or exceeds a heat stress index of 28 degrees Celsius/82 degrees Fahrenheit. If a Heat Stress Monitor is not available, extreme weather conditions are then defined by the danger zone which is equal to or above the apparent temperature of 90 degrees Fahrenheit, illustrated on the chart

below. Heat stress is measured by Wet Bulb Global Temperature (WBGT) which is calculated as $(0.7 \text{ Wet Bulb} + 0.2 \text{ Global Temperature} + 0.1 \text{ Dry Bulb} = \text{WBGT})$.

The Physiotherapist/Athletic Trainer and the ITF Supervisor have the authority to determine if the Extreme Weather Condition rule will go into effect during a Tournament. If it is so determined, a ten (10) minute break will be allowed between the second and third sets. There may also be a delay in the starting time of the matches scheduled for play that day. When possible, this decision to delay the start of matches due to Extreme Weather Conditions should be made prior to the scheduled start of play.

Measurement and Monitoring of Weather Conditions

The Physiotherapist/Athletic Trainer will monitor weather conditions by taking measurements a minimum of three (3) times and a maximum of five (5) times during the day. The readings will be determined prior to the start of play and will be posted in the ITF Supervisor's office.

The minimum of three readings will be taken:

- (1) ½ hour before match play begins for the day;
- (2) middle of the scheduled day;
- (3) prior to beginning of the last match of the day or prior to the start of the first night session match.

Implementation of the Rule

In the event that during the day there is a change in weather conditions as determined by this periodic monitoring, the Extreme Weather Condition Rule can be put into effect at any time on all courts, excluding matches already in progress. If there is a sudden change in weather conditions and the Rule is lifted, those matches already in progress will continue under the Extreme Weather Condition

Rule. In the case of rain or interruption to play, the ITF Supervisor and Physiotherapist/Athletic Trainer can reassess the Extreme Weather Condition Rule.

Conditions of the 10-Minute Break

If it is a mutual agreement between the players not to take a ten (10) minute break, then play will continue. However, if requested by one player, the official ten minute break will be taken.

During the ten minute break, no coaching or treatment will be allowed. However, a player will be allowed to receive an adjustment of medical support, medical equipment and/or advice from the Physiotherapist/Athletic Trainer.

Following the ten (10) minute break, no re-warm-up will be allowed. This rule applies in addition to the two (2) bathroom and/or change of attire breaks allowed during the match.

Penalties

After completion of the Extreme Weather Conditions ten (10) minute break between the 2nd and 3rd sets, any delay in returning to the court shall subject a player to Time Violations.

TOILET/CHANGE OF ATTIRE BREAKS

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break. Change of attire breaks must be taken on a set break and toilet breaks should be taken on a set break.

In singles, each player is entitled to a maximum of two (2) breaks per match and in doubles each team is entitled to a maximum of two (2) breaks. If partners leave the court together, it counts as one (1) of the team's authorised breaks. These breaks may be taken for toilet visits, change of attire, or both, but for no other reason whatsoever.

Any time a player leaves the court for a toilet or change of attire break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet break taken after a warm-up has started is considered one of the authorised breaks.

Additional breaks will be authorised but will be penalised in accordance with the Point Penalty Schedule if the player is not ready to play within the allowed time. The ITF Supervisor shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the ITF Supervisor as gamesmanship and/or flagrant abuse of the Rules.

A player should not take a toilet break / change of attire break and a medical time out consecutively unless approved by the ITF Supervisor.

A player may change her attire during a toilet break.

A. PURPOSE

The International Tennis Federation promulgates this Code of Conduct (Code) in order to maintain fair and reasonable standards of conduct by players and the organisers of ITF Pro Circuit Tournaments and to protect their respective rights, the rights of the public and the integrity of the Sport of Tennis. All references to the International Tennis Federation or the ITF shall mean the ITF Limited.

B. EXCLUSIVE APPLICABILITY

This 2010 ITF Pro Circuits Code of Conduct shall be the exclusive basis for disciplinary action against any player or tournament in ITF sanctioned Pro Circuit Tournaments.

C. UNITED STATES DOLLARS

All monetary fines set forth in the Code are in US Dollars.

D. ITF SUPERVISOR

The approved ITF Supervisor for each ITF Pro Circuit Tournament shall be the final authority for the interpretation of these Tournament Regulations, Code of Conduct and the Rules of Tennis as to all matters arising that require immediate resolution at the tournament site.

ARTICLE II: MEN'S PLAYER ENTRY OFFENCES

A. APPLICABILITY

This Article shall only apply to ITF Men's Circuit Futures Tournaments.

B. ENTRY OFFENCES

1. **Late Withdrawal/Non-Appearance**

A player who has entered and been accepted as a Direct Acceptance into the Main Draw or Qualifying and not timely withdrawn therefrom, shall appear for play. Any withdrawal from a player accepted into the Main Draw or Qualifying that occurs after the Withdrawal Deadline shall be considered a late withdrawal. A player's first two (2) late withdrawal offences within a calendar year are excused, provided the withdrawal is received by the ITF (and by the ITF Supervisor, if submitted after the Freeze Deadline) prior to the Qualifying Sign-in Deadline.

Violation of this Section shall subject a player to a fine up to \$500.

In circumstances that are flagrant and particularly injurious to the success of the ITF Futures Tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

2. **On-Site Medical Withdrawal**

a. If a player is forced to withdraw during a tournament for medical reasons, the ITF Medical Certification form must be completed (in English, French or Spanish) by the medically qualified physician on-site indicating the nature of the medical condition and verifying that the player is unfit to continue playing in the current tournament. Such medical withdrawal will excuse any late withdrawal penalty for that tournament.

b. A player who withdraws from a tournament for medical reasons after the qualifying sign-in deadline will be excused any late withdrawal penalty, provided he undergoes a medical examination on-site at the event from which he is withdrawing and is verified as being unfit to play in that tournament. Alternatively, if the player was still committed to a previous week's tournament at the time of the Qualifying Sign-in Deadline, he may submit to the ITF Supervisor a completed ITF Medical Certification form, as described above, authorised by the ITF Supervisor of the previous week's tournament.

3. **Consecutive Late/Medical Withdrawals**

Where a player withdraws late from consecutive tournaments for medical reasons, only the first of these will be subject to sections B.1 and B.2 above, provided each consecutive withdrawal occurs prior to the appropriate

Qualifying Sign-in Deadline and a valid ITF Medical Certification form is submitted.

Following recovery, should a player participate in a tournament and have to withdraw, that withdrawal will once again be subject to the provisions above.

4. Playing Another Event / One Tournament Per Week

- a. No player who has played in the Main draw or Qualifying of an ITF Futures tournament shall play in any other tennis event during the period of such tournament unless released by the ITF Supervisor.
- b. No player who has entered and been accepted into the Qualifying or Main Draw of an ITF Futures tournament shall play in any other tennis event during the period of such tournament unless authorised to do so by the ITF.

Such authorisation is only granted to a player:

- i. nominated to represent his country in an official team competition;
- ii. who qualifies for entry into the Qualifying or Main Draw of a Grand Slam tournament;
- iii. nominated to receive a Wild Card offering higher event status (i.e. Qualifying to Main Draw)
- iv. nominated to receive a Wild Card into a tournament in a higher prize money category, unless already accepted into a Main Draw
- v. forced to withdraw from a qualifying event because he is still committed in a previous week's tournament but is not eligible to apply or has been unsuccessful in applying for a special exempt place.

Violation of this section shall result in a fine up to \$1,000 in addition to any other fines provided in the Code.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

C. WILD CARDS

No player, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section by a player shall result in a fine of up to \$ 5,000.

In circumstances that are flagrant and particularly injurious to the success of an ITF Futures Tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

D. DETERMINATION AND PENALTY

The ITF Supervisor shall make such investigation as is reasonable to determine the facts regarding all entry offences and upon determining that a violation has occurred shall specify the fine and/or other punishment therefore and where possible notify the player.

E. PAYMENT OF FINES

All fines levied by the ITF Supervisor for Entry Offences shall be paid by the player within ten (10) days after the notice thereof is provided. Unpaid fines shall also be collected at other ITF Futures Tournaments and at Grand Slams for remission through the ITF to the respective National Association owed the monies. A player who has outstanding fines at the end of the calendar year will not be allowed to enter any ITF Futures tournament until such time as all fines have been paid.

F. REMISSION OF FINES

Under extraordinary circumstances a player has the right to appeal a Late Withdrawal or Non-Appearance fine to the ITF provided such appeal is filed within ten (10) days of the last day of the tournament. Such extraordinary circumstances must be substantiated by documentation.

G. FALSIFYING ENTRY AND APPEAL DOCUMENTATION

Should a player submit documentation that the ITF deems to be false evidence, the player shall be subject to a fine up to \$500 in addition to any other fines provided in the Code.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of "Aggravated Behaviour".

H. DISCRETIONARY REVIEW

Any player found to have committed an Entry Offence may, after paying all fines as above provided, petition the Committee for discretionary review of the determination and penalty of the ITF Executive Director. The petition shall be in writing and must be filed with the ITF Executive Director within thirty (30) days after notice of the violation is mailed to the player. The ITF Executive Director shall thereafter promptly forward said petition to the Committee. Said petition shall state in detail the basis for such appeal. Within thirty (30) days thereafter the Committee shall designate a time and place for the hearing of such appeal and shall so notify the player and the ITF Executive Director. At such hearing the player and the ITF Executive Director shall present to the Committee the relevant evidence on the matter. The Committee may affirm, reverse, or modify the decision of the ITF Executive Director on appeal. If the appeal is decided against the player, then the

Committee shall tax the reasonable costs of the appeal against the player, which costs shall include, but not be limited to, the reasonable travel and living expenses incurred by all witnesses and members of the Committee with respect thereto, if the same is not at a regularly scheduled meeting of the Committee.

ARTICLE III: WOMEN'S PLAYER ENTRY OFFENCES

A. ENTRIES AND WITHDRAWALS

All players shall abide by the rules for entries and withdrawals set forth in these Regulations.

B. LATE WITHDRAWALS/NON-APPEARANCE

Any player who is accepted into the Main Draw or Qualifying of an ITF Women's Circuit tournament but withdraws after the withdrawal deadline, or is a no show, will be penalised, unless:

- the player has complied with the provisions of Section 9. Entries and Withdrawals C. Withdrawal Procedures of the ITF Women's Circuit Regulations;
- a player who is on the Qualifying Acceptance List but who is still playing in another ITF Women's Circuit or WTA Tour tournament at the time of the Qualifying Sign-In deadline, provided the player withdraws before the Qualifying Sign-In closes;
- a player who is on the Qualifying Acceptance List but who is still playing in another "qualified" ITF Women's Circuit or WTA Tour tournament and who applies for a Special Exempt position, but where such Special Exempt position is not available for the player;
- a player who receives a Wild Card into Grand Slams.

Players who have been subject to Automatic Withdrawals will not be fined.

Violation of this section shall result in a fine up to \$ 1,000.

In circumstances that are flagrant and particularly injurious to the success of an ITF Women's Circuit tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

C. PLAYING ANOTHER EVENT / ONE TOURNAMENT PER WEEK

No player who has played in the Main Draw or Qualifying of an ITF Women's Circuit Tournament shall play in any other tennis event during the period of such tournament unless released by the ITF Supervisor.

No player who has entered and been accepted into the Qualifying or Main Draw of an ITF Women's Circuit tournament shall play in any other tennis event during the period of such tournament unless authorised to do so by the ITF.

Such authorisation is only granted to a player:

- nominated to represent her country in an official team competition;

- who qualifies for entry into the Qualifying or Main Draw of a Grand Slam tournament;
- nominated to receive a Wild Card offering higher event status (i.e. Qualifying to Main Draw);
- nominated to receive a wild card into a tournament in a higher prize money category;
- forced to withdraw from a qualifying event because she is still committed in a previous week's tournament but is not eligible to apply, or has been unsuccessful in applying for, a special exempt place.

Violation of this Section shall result in a fine up to \$ 1,000 in addition to any other late withdrawal fines provided in the Code.

In circumstances that are flagrant and particularly injurious to the success of an ITF Women's Circuit tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

D. WILD CARDS

No player, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section by a player shall result in a fine of up to \$ 5,000.

In circumstances that are flagrant and particularly injurious to the success of an ITF Women's Circuit tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

E. DETERMINATION AND PENALTY

The ITF shall cause an investigation to be made to determine the facts regarding all Entry Offences and upon determining that a violation has occurred shall specify the fine and/or other punishment therefore and where possible notify the player.

F. PAYMENT OF FINES

All fines levied for entry offences shall be paid by the player within ten (10) days after the notice thereof is provided. Unpaid fines shall also be collected at Grand Slams for remission to the ITF. A player who has outstanding fines at the end of the calendar year will not be allowed to enter any ITF Women's Circuit tournament until such time as all fines have been paid.

G. FALSIFYING ENTRY AND APPEAL DOCUMENTATION

Should a player submit documentation that the ITF deems to be false evidence, the player shall be subject to a fine up to \$1,000 in addition to any other fines provided in the Code.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of “Aggravated Behaviour”.

H. APPEALS

Any player convicted of a violation of a Player Entry Offence may, after paying all fines, appeal to the ITF Executive Director, for review of the determination of guilt and penalty therefore. Such Notice of Appeal shall be in writing and filed by 5.00 p.m. G.M.T. with the ITF within ten (10) days after the last day of the tournament.

Attached to and included with such Notice of Appeal shall be a statement by the player as to the facts and circumstances of such incident along with any other evidence that the player desires to submit. Any player submitting fax transmission receipts when appealing a Player Entry Offence should note that all fax receipts must match exactly the fax receipt records at the ITF Office; i.e. fax transmission receipts submitted must show the originating fax number, the fax number of the ITF Office, the OK status, the number of pages transmitted, the date, the time and the transmission duration. If there is no exact match with the transmission receipt records at the ITF Office the appeal will be rejected as insufficient evidence submitted.

Upon receipt of such an Appeal, the ITF Executive Director shall conduct a reasonable investigation of the facts and circumstances surrounding such incident, and shall affirm or reverse in whole or in part the determination of the Offence. In the event of a whole or partial reversal the ITF shall remit to the player all or part of the fines collected in accordance with the disposition of the appeal.

ARTICLE IV: PLAYER ON-SITE OFFENCES

A. GENERAL

Every player shall, during all matches and at all times while within the precincts of the site of an ITF Pro Circuit Tournament, conduct himself/herself in a professional manner. The provisions hereinafter set forth shall apply to each player's conduct while within the precincts of each such site.

B. PUNCTUALITY

Matches shall follow each other without delay in accordance with the announced order of play. The order of play shall be posted at a highly visible place in a general players' area as designated by the ITF Supervisor.

Matches shall be called in accordance with the order of play using all available and reasonable means. Players shall be ready to play when their matches are called.

1. Any player not ready to play within ten (10) minutes after his match is called may be fined \$50.
2. Any player not ready to play within fifteen (15) minutes after his match is called may be fined up to an additional \$200 and shall be defaulted unless the ITF Supervisor in his sole discretion, after consideration of all relevant circumstances, elects not to declare a default.

C. DRESS AND EQUIPMENT

Every player shall dress and present himself/herself for play in a professional manner. Clean and customarily acceptable tennis attire shall be worn.

Any player who violates this Section may be ordered by the Chair Umpire or ITF Supervisor to change his/her attire or equipment immediately. Failure of a player to comply with such order may result in an immediate default. (The ITF reserves the right to interpret the following rules so as to give effect to the intent and purposes of these Regulations)

1. Unacceptable Attire

 - ii. the facts upon which such allegations are based;

- iii. the potential sanctions prescribed under this Program for such Corruption Offense(s); and
 - iv. the Covered Person's entitlement to have the matter determined by the AHO at a Hearing.
- b. The Notice shall also specify that, if the Covered Person wishes to dispute the PTIO's allegations, the Covered Person must submit a written request for a Hearing so that it is received by the AHO as soon as possible, but in any event within fourteen business days of the Covered Person's receipt of the Notice. If the Covered Person fails to file a written request for a Hearing by such deadline, he or she shall be deemed:
 - i. to have waived his or her entitlement to a Hearing;
 - ii. to have admitted that he or she has committed the Corruption Offense(s) specified in the Notice; and
 - iii. to have acceded to the potential sanctions specified in the Notice.

If the Covered Person fails to file a written request for a Hearing by the deadline, the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) alleged in the Notice and ordering the imposition of sanctions (where this Program specifies a range of possible sanctions the AHO shall determine the appropriate sanction).

- c. The Covered Person shall be entitled at any stage to admit that he or she has committed the Corruption Offense(s) specified in the Notice and to accede to the sanctions specified in the Notice. In such circumstance, a Hearing shall not be required. Instead, the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) specified in the Notice and ordering the imposition of sanctions. Where a range of possible sanctions is specified in the Program, written submissions may be made by or on behalf of the Covered Person in mitigation at the time of admission of the Corruption Offense(s), and the AHO shall be entitled to take those submissions, as well as any rebuttal submitted by the PTIO, into account in determining what sanctions should apply.
- d. If, for any reason, the AHO is or becomes unwilling or unable to hear the case, then the AHO may request that the TIB appoint a substitute or successor AHO for such matter in accordance with Article F.1.

- e. No more than twenty business days after the date of the Notice or request for Hearing if received, the AHO shall convene a meeting or telephone conference with the PTIO, its legal representatives, the Covered Person to whom the Notice was sent and his or her legal representatives (if any), to take jurisdiction formally over the matter and to address any pre-Hearing issues. The non-attendance of the Covered Person or his or her representatives at the meeting, after proper notice of the meeting has been provided, shall not prevent the AHO from proceeding with the meeting in the absence of the Covered Person, whether or not any written submissions are made on behalf of the Covered Person. In the meeting the AHO shall:
 - i. determine the date(s) (which must be at least twenty business days after the meeting, unless the parties consent to a shorter period) upon which the Hearing shall be held. Subject to the foregoing sentence, the Hearing shall be commenced as soon as practicable after the Notice is sent, and ordinarily within sixty days of the date that the Covered Person requests a Hearing. The Hearing shall be completed expeditiously;
 - ii. establish dates reasonably in advance of the date of the Hearing at which:
 1. the Covered Person shall submit a brief with argument on all issues that he or she wishes to raise at the Hearing;
 2. the PTIO shall submit an answering brief, addressing the arguments of the Covered Person and setting out argument on the issues that the PTIO wishes to raise at the Hearing;
 3. the Covered Person may submit a reply brief, responding to the PTIO's answer brief; and
 4. the Covered Person and the PTIO shall exchange witness lists (with each witness's address, telephone number and a summary of the subject areas of the witness's anticipated testimony) and copies of the exhibits that they intend to introduce at the Hearing; and

- iii. make such order as the AHO shall deem appropriate in relation to the production of relevant documents or other materials between the parties.
- f. The AHO may, at any time prior to issuing a Decision, request that an additional investigation be conducted into any matter reasonably related to the alleged Corruption Offense. If the AHO requests such an additional investigation, the TIU shall conduct the investigation in accordance with the AHO's directions and shall report the findings of that investigation to the AHO and the Covered Person implicated in the alleged Corruption Offense at least ten days prior to the Hearing. If the Covered Person wishes to object to, or raise any issues in connection with, such additional investigation, he or she may do so by written submission to the AHO.

2. Conduct of Hearings.

- a. Hearings shall be conducted on a confidential basis. Unless the AHO orders otherwise for good cause shown by a party, each Hearing shall take place in either Miami, Florida, USA or London, England, as determined by the AHO.
- b. The Covered Person shall have the right (i) to be present and to be heard at the Hearing and (ii) to be represented at the Hearing, at his or her expense, by legal counsel. The Covered Person may choose not to appear at the Hearing, but rather to provide a written submission for consideration by the AHO, in which case the AHO shall take such submission into account in making his or her Decision. However, the non-attendance of the Covered Person or his or her representative at the Hearing, after proper notice of the Hearing has been provided, shall not prevent the AHO from proceeding with the Hearing in his or her absence, whether or not any written submissions are made on his or her behalf.
- c. The procedures followed at the Hearing shall be at the discretion of the AHO, provided that the Hearing shall be conducted in a fair manner with a reasonable opportunity for each party to present evidence (including the right to call and to question witnesses), address the AHO and present his, her or its case.
- d. The PTIO shall make arrangements to have the Hearing recorded or transcribed at the PTIO's expense. If requested by the Covered Person, the PTIO shall also arrange for an interpreter to attend the Hearing, at the PTIO's expense.

3. Burdens and Standards of Proof.

- a.** The PTIO (which may be represented by legal counsel at the Hearing) shall have the burden of establishing that a Corruption Offense has been committed. The standard of proof shall be whether the PTIO has established the commission of the alleged Corruption Offense by a preponderance of the evidence.
- b.** Where this Program places the burden of proof upon the Covered Person alleged to have committed a Corruption Offense to rebut a presumption or establish facts or circumstances, the standard of proof shall be by a preponderance of the evidence.
- c.** The AHO shall not be bound by any jurisdiction's judicial rules governing the admissibility of evidence. Instead, facts relating to a Corruption Offense may be established by any reliable means, as determined in the sole discretion of the AHO.

4. Decisions.

- a.** Once the parties have made their submissions, the AHO shall determine whether a Corruption Offense has been committed. Where Article H of this Program specifies a range of possible sanctions for the Corruption Offense found to have been committed, the AHO shall also fix the sanction within that range, after considering any submissions on the subject that the parties may wish to make.
- b.** The AHO shall issue a Decision in writing as soon as possible after the conclusion of the Hearing. Such Decision will be sent to the parties and shall set out and explain:
 - i.** the AHO's findings as to what Corruption Offenses, if any, have been committed;
 - ii.** the sanctions applicable, if any, as a result of such findings; and
 - iii.** the rights of appeal applicable pursuant to Article I of this Program.
- c.** The TIU shall pay all costs and expenses of the AHO and of staging the Hearing. The AHO shall not have the power to award costs or make any costs order against a Covered Person or the PTIO. Each party shall bear its own costs, legal, expert and otherwise.

- d. Subject only to the rights of appeal under Article I of this Program, the AHO's Decision shall be the full, final and complete disposition of the matter and will be binding on all parties. If the AHO determines that a Corruption Offense has been committed, the TIB will publicly report the Decision.

H. Sanctions

1. The penalty for any Corruption Offense shall be determined by the AHO in accordance with the procedures set forth in Article G, and may include:
 - a. With respect to any Player, (i) a fine of up to \$250,000 plus an amount equal to the value of any winnings or other amounts received by such Covered Person in connection with any Corruption Offense, (ii) ineligibility for participation in any event organized or sanctioned by any Governing Body for a period of up to three years, and (iii) with respect to any violation of clauses (c)-(i) of Article D.1, ineligibility for participation in any event organized or sanctioned by any Governing Body for a maximum period of permanent ineligibility.

 - c. No Player who has been declared ineligible may, during the period of ineligibility, participate in any capacity in any Event (other than authorized anti-gambling or anti-corruption education or rehabilitation programs) organized or sanctioned by any Governing Body. Without limiting the generality of the foregoing, such Player shall not be given accreditation for, or otherwise granted access to, any competition or event to which access is controlled by any Governing Body, nor shall the Player be credited with any points for any competition played during the period of ineligibility.
2. The TIU may report information regarding an investigation to the TIB and the PTIOs at any time.

3. The TIB may report Corruption Offenses that also violate non-sporting laws and regulations to the competent administrative, professional or judicial authorities.
4. If any Covered Person commits a Corruption Offense under this program during a period of ineligibility, it shall be treated as a separate Corruption Offense under this Program.

I. Appeals

1. Any Decision (i) that a Corruption Offense has been committed, (ii) that no Corruption Offense has been committed, (iii) imposing sanctions for a Corruption Offense, or (iv) that the AHO lacks jurisdiction to rule on an alleged Corruption Offense or its sanctions, may be appealed exclusively to CAS in accordance with CAS's Code of Sports-Related Arbitration and the special provisions applicable to the Appeal Arbitration Proceedings, by either the Covered Person who is the subject of the Decision being appealed, or the TIB.
2. Any Decision appealed to CAS shall remain in effect while under appeal unless CAS orders otherwise.
3. The deadline for filing an appeal with CAS shall be twenty business days from the date of receipt of the Decision by the appealing party.
4. The decision of CAS shall be final, non-reviewable, non-appealable and enforceable. No claim, arbitration, lawsuit or litigation concerning the dispute shall be brought in any other court or tribunal.

J. General

1. No action may be commenced under this Program against any Covered Person for any Corruption Offense unless such action is commenced within either (i) eight years from the date that the Corruption Offense allegedly occurred or (ii) two years after the discovery of such alleged Corruption Offense, whichever is later.
2. Section headings within this Program are for the purpose of guidance only and do not form part of the Program itself. Nor do they inform or affect the language of the provisions to which they refer.
3. This Program shall be governed in all respects (including, but not limited to, matters concerning the arbitrability of disputes) by the laws of the State of Florida, without reference to conflict of laws principles.

4. In the event any provision of this Program is determined invalid or unenforceable, the remaining provisions shall not be affected. This Program shall not fail because any part of this Program is held invalid.
5. Except as otherwise stated herein, failure to exercise or enforce any right conferred by the Program shall not be deemed to be a waiver of any such right nor operate so as to bar the exercise or enforcement thereof or of any other right on any other occasion.
6. This Program is applicable prospectively to Corruption Offenses occurring on or after the date that this Program becomes effective. Corruption Offenses occurring before the effective date of this Program are governed by the former rules of the Governing Bodies which were applicable on the date that such Corruption Offense occurred.
7. Except as otherwise agreed to by the parties, all filings, Decisions, Hearings and appeals shall be issued or conducted in English.
